

# Inventory Management Training for Operators

## MSA31108 Certificate III in Competitive Manufacturing (Inventory Management)

Ideal for storeman and support staff this Government funded program provides your team with the skills to successfully implement “Inventory Management” concepts including “Just in Time” and “5S” in your work area. Participants are also challenged to improve the manual handling requirements in a warehouse or stores environment.

These projects will help improve the level of quality, cost, delivery, safety and productivity by challenging existing processes and cultures to develop a “High Performance Workplace”.

Suggested Units of Competency (In-house programs can be customised to suit your needs)

- MSACMT231A Interpret product costs (lean wastes)
- MSACMT240A Apply 5S
- MSACMT221A Apply Just in Time (JIT) procedures
- MSACMT421A Facilitate a Just in Time (JIT) system
- MSACMC210A Manage the impact of change
- MSACMT432A Analyse manual handling
- MSACMS200A Apply Competitive Manufacturing Practices
- MSACMS401A Ensure process improvements are sustained

Training incentives of \$4,000 may be available to employers for each eligible staff member.
